Dynamed

Dynamed is a point of care, evidence based tool brought to you by the Southport & Ormskirk Library & Knowledge Service.

Dynamed is available password free via the Trust Intranet <http://sp-intranet01/Education,%20Training%20and%20Library/Library/Pages/Home.aspx> or outside the NHS network <https://dynamed.ebscohost.com/user/login> with your NHS Athens Account.

Download the free *DynaMed* app from the iTunes App store <https://itunes.apple.com/us/app/dynamed-mobile/id948906986?mt=8>

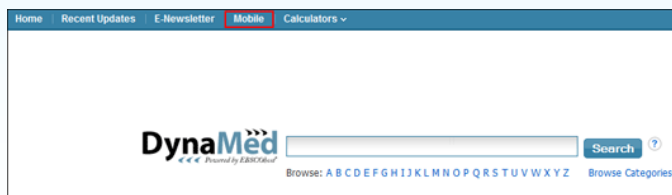

Or from Google Play <https://play.google.com/store/apps/details?id=vspringboard.dynamed.activity&hl=en>

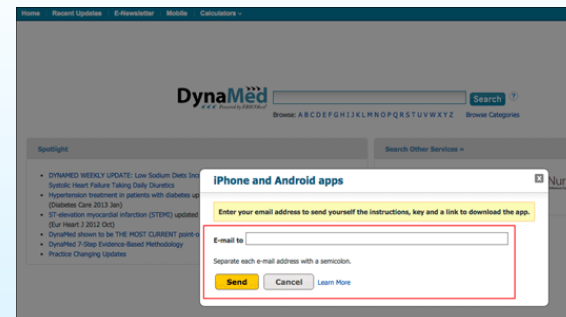

Access *DynaMed* by clicking on the icon on the library intranet homepage <http://sp-intranet01/Education,%20Training%20and%20Library/Library/Pages/Home.aspx>

Click on the Mobile link in the *DynaMed* toolbar at the top of the screen.

Enter your email address and click Send.

An authentication link is emailed to you.

Open the email from your mobile device and tap the authentication link to authenticate the app. Note: If you do not tap the authentication link in the email within 48 hours you will need to request a new authentication key from within *DynaMed*.

The *DynaMed* App opens on your device and begins the initial content download. Note: It is recommended that you are on a Wi-Fi connection for the initial download of *DynaMed* content as well as when updates become available.
