ROTATION CHANGE

Wednesday **6th April** you will be moving onto your final rotations of the year :) WELL DONE!
Please let me know if your allocated clinical supervisor differs from that listed on your HORUS account and I can update this for you.

If you are on a GP or Psych rotation please make me aware of any planned annual leave so I can enter it on health roster

Mandatory Training

Please check your compliance is up to date for all your mandatory training modules. If you need to check which modules are outstanding drop me an email at
